

This memo is in response to a letter dated May 23, 2007 initiated by Melissa Meyer, Campaign Finance Analyst of the FEC, regarding a contribution made by the "State Democratic Party" to "Nevada's Independent Voters Forum", in the amount of \$5,500.00 and stating that the "State Democratic Party" needed to file as a political committee. It appears this information was obtained from the FEC report submitted by Nevada's Independent Voters.

On October 26, 2006, the "Nevada State Democratic Party, C00208991" made a \$10,000.00 NON-FEDERAL donation to Nevada Independent Voters.

The letter mailed by the FEC was mailed to the wrong address, thus the late response date. I hope this memo will clarify your questions.
